## ***Introduction***

The 2025-26 Supplementary Estimates No. 2 are prepared in accordance with subsection 12(1) of *The Financial Administration Act, 1993* and include the estimated increase in 2025-26 “To Be Voted” and “Statutory” expenditures, loans, advances or investments to be paid from the General Revenue Fund (GRF).

Funding requests reflect the additional commitments government has undertaken during the fiscal year. The requested funding for each vote is the net amount required after reallocation of voted appropriation not required in other areas of the vote.

Previous Estimates shown in this document include appropriation approved through the 2025-26 Main Estimates and the 2025-26 Supplementary Estimates No. 1.

The additional funding contained in the 2025-26 Supplementary Estimates No. 2 includes appropriations already provided by special warrant. Clause 14(3)(b) of *The Financial Administration Act, 1993* requires that special warrant appropriations be “submitted to the next Legislative Assembly as part of the next *Appropriation Act* that is not an Act for interim supply”.

The Supplementary Estimates include increases in statutory appropriation authorized through legislation (statute). Clause 12(3)(b) of *The Financial Administration Act, 1993* requires that estimates include any expenses permitted or required to be paid out of the GRF that are not required to be voted on by the Legislature.

The schedules contained in the 2025-26 Supplementary Estimates No. 2 use a similar format to those included in the 2025-26 Estimates.

The 2025-26 Supplementary Estimates No. 2 reflect the following changes:

Pursuant to Order in Council #520/2025, the Ministry of Corrections, Policing and Public Safety is renamed to the Ministry of Community Safety. Pursuant to Order in Council #503/2025, two new ministers were appointed to be responsible for the Ministry of Community Safety and the Ministry of Highways.

The subvote descriptions provided in the 2025-26 Estimates apply to the 2025-26 Supplementary Estimates No. 2; however, subvote descriptions may be expanded by the explanation for the additional funding provided by supplementary estimates within the fiscal year.

The *General Principles, Budget and Spending Control, Budget Principles* and *Glossary of Terms* outlined in the 2025-26 Estimates apply to the 2025-26 Supplementary Estimates No. 2.
